

## Post-Poo Drops

An aromatic botanical bathroom deodoriser to combat the malodorous.

### How does this product work?

After vigorous activity has occurred in the bathroom, Post-Poo Drop's crisp citrus peel notes— fortified with rich floral elements – effectively neutralise disagreeable smells.

### How do I use it ?

Dispense three drops into the toilet bowl post-flush. Additional drops in the hand basin will intensify the aroma, to the benefit of subsequent visitors.
